

## **New Trash Service Beginning Thursday, October 4th**

Our new trash/recycling service will be Waste Connections. For more details, click on: <http://www.wasteconnections.com/residential/adams-county>

Trash AND recyclables will be picked up first day of service, Thursday, Oct 4. Recyclables will then be picked up every other week. Thursdays will be our new service day.

Additional trash “toters” should be delivered to customers before first day of pickup, Thursday, Oct 4. There is a chance they won’t be all ready by then, so customers can put out bags on the first day if necessary. Trash toters are optional, with an additional cost of \$3/mo, raising the quarterly fee from \$47 to \$56. Plus, it includes large item pickup and quarterly drop-off electronics recycling.

They have a sufficient number of recyclables “toters.” They will be delivered to all customers on the current list before first pick-up day. These are free.

You will be billed directly by Waste Connections. There is online bill payment and a customer service line (717) 709-1700. Bills may be paid by check or online banking as well.
