

Message from the Mayor

To the citizens of East Berlin Borough, on Monday, May 3, 2021, the East Berlin Borough office will be open to the public by appointment. The drop-box continues to be available for your convenience as well.

During regularly scheduled and advertised monthly meetings / legal hearings, the Borough Hall is open to the public without an appointment. If maximum CDC regulatory capacity is achieved, remote meeting arrangements will be made.

To schedule an appointment or contact a staff member please e-mail:

Cindy Smith, ebsectreas@comcast.net if you have administrative questions

Bob Meminger, boromaintenance@comcast.net for maintenance related questions

If you are unable to e-mail please call 717-259-9224.

If you schedule an appointment at the Borough Hall, please wear a mask. As stated on the Borough Hall door signage; due to HIPAA regulations, if you enter the building without a mask, the Staff will assume you have a medical condition and will not ask any further explanation. For the safety of all, please follow all social distancing, health guidelines, maintaining a six (6) foot distance between you and anyone else in the building.

Thank you for your understanding, as everyone does their best to accommodate the residents of East Berlin. Please stay safe in your daily tasks, wash your hands often and maintain a 6 foot distance between you and other residents of our community.

Thank you,
Robbie Teal
Council President / Acting Mayor
East Berlin Borough
