Subject: President Robbie Teal, Vice President James Levan, Vice President...

President Robbie Teal, Vice President James Levan, Vice President Pro Temp Butch Krall, Council member Don Dixon, Solicitor Matt Battersby, Secretary Cindy, Police Chief Terry Seitz. It is with deep regret that I am writing this today, but I would like to say as of May 1, I am resigning my position as Mayor of our great Borough of East Berlin.

I would like to say that it has been a pleasure working with each of you. Jason and Dave are doers and not a follower. It seems whatever Anne says, you both agreed with her. She was not always right.

With that being said, certain people on council could not keep their noise out of everyone's business. I have been the mayor of this great town for 24 years. The last 4 years have been (hell) do to one council member Anne Geiger and her 2 puppets.

When we both lost our jobs, it's was a great financial burden, and we could have lost everything. I became ill needing 2 hip replacements and could not do steps anymore. My wife and I decided to move to a first floor apartment. Not finding any that would work with our pets, we decided to look for other options. As I have done for the last 15 years, we would camp all summer and live at our house over the winter. When not finding a first floor apartment in East Berlin, I moved in with a family member, since I had to stay in the Borough to be mayor. I would be there all week when not working, and visiting my wife, to return to be with her on the weekend. I then got a PO Box for my mail, so it would not be in my relative's name. I still lived in the borough, but had a PO Box. This was not good enough for one person. She had to dig and dig till she created problems. This is quite illuminating, about the type of personality this person has, whose resume reveals that she did not stay at any job for more than 2 years, or stay on a committee or school board for more than four. This due to her constant micromanaging situations to her favor.

Yes, I could stay in the Borough and keep doing what I have done this past year. But, maybe this is a sign to work on my health, and not have to deal with the BS that one council member brings to the table. No matter how it's done, she will always challenge everyone because she thinks she is the only one that knows what goes on in a small town.

It has been a great pleasure working with Robbie, Jim, Butch, Don, Matt, Cindy and Chief Seitz, and all the great leaders over the past 24 years.

Thanks for all you do, and have done to make East Berlin a great small little town that it is today. I will now fully move out of town, and enjoy the rest of my life not having to see Anne Geiger anymore or watch her manipulate the organizations in this town.

God Bless,
Keith E. Hoffman
