

# GETTYSBURG RAILWAY FIRST RESPONDER DAY 2026

Thursday April 23<sup>rd</sup> @ 10am

Operation Lifesaver will be on site for a brief presentation. Operation Lifesaver is a nonprofit public safety education and awareness organization dedicated to reducing collisions, fatalities and injuries at highway rail crossings and trespassing on or near railways.

On Thursday April 23<sup>rd</sup>, 2026, Gettysburg Railway will be hosting a first responder day for our local Adams County partners. Your agency is eligible to receive four complimentary tickets for this ride. This will be an educational ride for you and fellow first responders with the goal of being better prepared for incidents on the railroad. Contact Safety Manager Elijah Hale for more information and to R.S.V.P Please R.S.V.P by 4/17/2026
